
Special Order Colors

ICWUSA.com is pleased to announce the availability of new Special Order Colors. In addition to our standard powder-coated Quartz Gray and Textured Black, we will be offering two new colors:

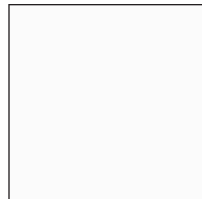

Tan (LT)

The new low luster Tan color is a perfect complement to products by other equipment suppliers.

Putty (P)

The new gloss Putty color is designed to coordinate with products by other equipment suppliers

Medical White
Gloss (MW)

This new medical white complements operatory equipment within your facility.

- Special Order charge of \$15.00 per arm for Tan and Putty arms.
- Extended lead times – estimated 2 week in-plant processing
- Minimum 15% Restocking Fee for Special Order Color returns
