

Wall track workstation fits into small spaces

The Ultra 500 Series is available in many configurations—choose the one that works best for you. Contact your customer service rep for configuration options not shown on this sheet.

Range of Motion Video

Monitor and keyboard not included

Easily adjusts for ergonomic comfort

- The Ultra 500 workstation is an ideal choice for healthcare environments where space is at a premium.
- The ultra-maneuverable LCD and keyboard mounting system fits on a slim wall track, reaches up to 42" (106.68 cm) with two arms and folds to a compact 5.5" (14 cm) against the wall.
- The keyboard tray has a slide-out mouse tray on both sides and flips up and out of the way when not in use.
 - 19", 36" and 50" wall track options
 - 11" extension arms available for both keyboard and monitor
 - Several fold-up keyboard tray options available
