

*Position your monitor to exactly the height you need*

**Ultra secure**  
The Ultra 95 ceiling mount is secured to a stud in the ceiling using four countersunk wood screws that are provided with the unit.

**Extension pipe options**  
Pipe extensions 12" 24"

## Ceiling mount frees up precious wall space

- The Ultra 95 mounts securely from the ceiling with a telescoping pipe, making it an excellent choice for healthcare environments.
- Patients are able to view the LCD screen even while lying down.
- This arm provides 360° of rotation and 180° of monitor tilt.
- Telescoping ceiling mount extends 13.5" - 32" (34.3 - 81.3 cm) from the ceiling and securely holds most flat panel monitors.
- Machined from billet aluminum, the unit is powder coated for a durable, lasting finish.
- Hand assembly ensures that a quality product is shipped to you.

*Monitor not included*
