## Adjust with ease

The T2 Elite arm with Quicklink supports up to 28 lbs (12.7 kg) while making your monitor feel as light as a feather as you move it through a wide range of motion. The Elite allows an LCD to be suspended and pulled out when required. The Elite arm is fully cable managed, gas spring assisted, and provides up to 21" of vertical and 42" of horizontal adjustment from mount to monitor, along with 360° of rotation.

## Highlights

- Frees up precious wall space
- Effortless positioning
- Conceals cables
- Counter-balanced vertical stowability
