

Ultra 200 Laptop Mount

Model Number as shown:
UL200-W3-QG

ICW

UL200 Laptop Mount

DESCRIPTION:

The Ultra 200 Tray arm allows full articulation and folds up right over the mount when not in use. The Ultra 200 will accommodate a normal sized laptop or 15" monitor. The tray size is 15" wide and 12" deep. Recommended maximum weight is 45 lbs.

The desk mount is available with 1" or 3" riser. The Ultra 200 pole mount will fit a 2" pole. The wall mount comes with wood screws for secure mounting to wall stud. The Ultra 200 track slider is available with a 19" or 36" track.

FEATURES:

- Folds up and stows right over the mount
- Supports a monitor or laptop computer
- Available in wall, pole, desk and track models
