## *Ceiling mount frees up precious wall space*

The Ultra 95 is a quality LCD monitor ceiling mount. The UL95 provides 360° of rotation and 180° of tilt. This adjustable mount extends 13.5" - 32" from the ceiling and securely holds most flat panel monitors, making it an excellent choice for healthcare situations, enabling the patient to view the LCD screen even while lying down.

Machined from billet aluminum, the unit is powder coated for a durable, lasting finish. Hand assembly ensures that a quality product is shipped to you.
