Ultra Keyboard Desk Mount

DESCRIPTION:

The Ultra keyboard mount is the most compact and space-saving way to ergonomically mount your keyboard and mouse. It is a great solution for kiosk applications (used in conjunction with an Ultra 25 Series flat panel mount) when you need the keyboard to flip up when not in use.

FEATURES:

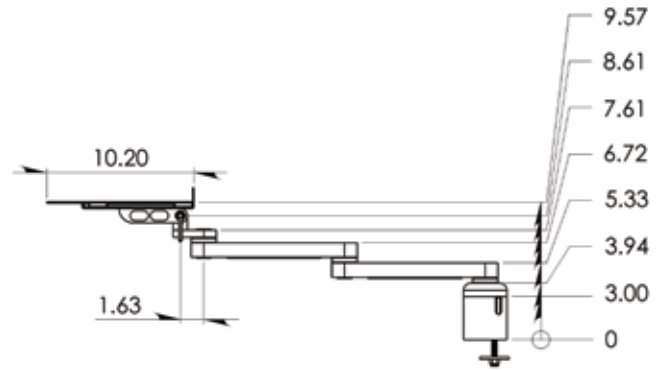

- Collapsible arms
- Fold-up keyboard tray
- Slide-out mouse tray

OPTIONS:

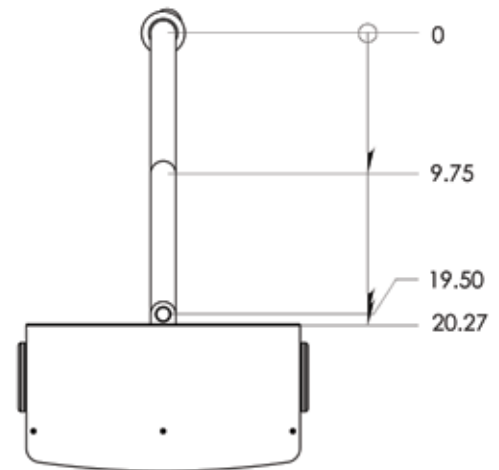

- Flat, ergonomic, or mini keyboard tray styles
- 11" and 20" extension arms
- Also available in wall and pole mounts

SPECIFICATIONS:

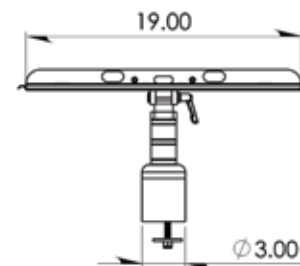

Finish:	Gray or black
Weight capacity:	45 lbs (20.4 kg)
Keyboard tray size:	19" W x 10" D
