Your entire workstation in the smallest possible footprint

The modular Ultra solution

The Ultra 500 LCD and keyboard mounting system is your entire workstation on a wall track. Two handles next to the LCD tighten the LCD into position once tilt adjustment is made. The LCD is mounted with two articulating arms which can extend it to 27" from the wall. This model is designed to be mounted to a 36" wall track, included with the unit.

This model has a 19" by 10" flip-up keyboard tray with a slide-out mouse tray and an ergonomic wrist rest, which can be folded up when not in use. The keyboard tray on this model is on two articulating arms which can extend it to 34" from the wall.

Machined out of billet aluminum, this unit is powder coated gloss white for a durable, lasting finish. Hand assembly ensures that a quality product is shipped to you.
