AG Neovo Medical Grade Monitors

- Rugged NeoV™ Optical Glass and durable metal casing allow for **thorough disinfection**.
- **Scratch, water and impact resistant.**
- **Large 22" monitor.** Other monitor sizes available.
- **Designed to last** 50,000 hours—7 years at 24/7 operation.
- **Wet-area safe DC-24V and -12V** medical power supply (DR series only).
- **Precise color and contrast** for viewing subtle details in dental operatories.
- **Full 3 year warranty** on monitor.

ICW Mounts

Ideal for dental operatories, these heavy duty arms move with fingertip control.

- **Multiple pivot points** enable vertical and horizontal rotation.
- **Conveniently mount** from the ceiling, wall or undercabinet.
- **Stow compactly** when not in use.
- **Durable powder coated finish** withstands rigorous disinfecting.
- **Internal cable management** creates a neater appearance, protects cables, simplifies cleaning.
- **Full 5 year warranty** on arm.

For more information please contact your ICW Dental representative, visit www.icwdental.com or call 1-877-770-3154. Monitors can be purchased separately.
