

Available in three models: VT21, VTLP Low Profile, VTTM Tandem Arm

"The doctor noticed the stowed unit didn't stick out much farther than the hand sanitizer."

VT21 Low Profile Workstation

Stows in as little as 4" (10 cm) from the wall

- **COMPACT.** The Low Profile model stows just 4" (10 cm) from the mounting surface. The stowed depth of the VT21 is 5.5" (14 cm), and the stowed depth of the Tandem Arm model is 7.5" (19 cm).
- **TRUE SIT-STAND.** All models provide 21" of vertical adjustment for comfort both standing and sitting.
- **EASILY ADJUSTABLE.** Locking Lift Assist easily raises and lowers unit. Locks securely at desired height.
- **ERGONOMIC.** The WorkSurface Tray and Flip-Up Keyboard Tray can both be adjusted to positive, neutral, and negative tilt for greatest ergonomic comfort.
- **HYGIENIC.** Durable, easy-to-clean finish withstands harsh chemicals. Built with smooth aircraft-grade aluminum that doesn't allow microorganisms to hide.
- **POPULAR** in healthcare environments and other settings that require a low profile computer workstation.

Monitor, keyboard and mouse not included.
